INT. ASHEN HILL MANOR. SECRET CHAMBER -- NIGHT

1

CONTINUOUS FROM PREVIOUS EPISODE.

CLYDE and RANI shrink back as ERASMUS DARKENING closes on them, slowly, menacingly pointing his staff.

DARKENING

You will never leave this place. You will be mine for Eternity.

CLYDE

Mr Darkening. Good to meet you. You're a legend. Really. But this is a One Night Only appearance.

RANI

It's not like we're not tempted. But we've got school on Monday.

DARKENING

You crossed my threshold. In one pace you left choice behind. Now you are in my dominion, my world.

CLYDE

Your world? Mate, you need to get out more. Sorry, you can't. I forgot, you're a ghost.

Darkening laughs.

DARKENING

A ghost? Is that what you think I am? Child, there are no such things as ghosts.

RANI

Oh boy, this is worse than The Sixth

RANI
(to Clyde)
That's -

DARKENING
Marchwood!

CLYDE
It's a super-spook smackdown!

Darkening sneers. And again Marchwood flickers and fades in and out, briefly.

DARKENING
(to Lord Marchwood)
Have you not yet faded into the ether?

LORD MARCHWOOD
Not while your shadow still stains the walls of my family, wizard!

Darkening leers.

DARKENING
We exist at different frequencies. Your steel cannot harm me, Marchwood.

LORD MARCHWOOD
And your magic cannot hurt me again! I have an account to settle, and will demand payment of your soul if it takes eternity.

Darkening laughs.

And Marchwood brings the sword down on the table - which shatters like matchwood.

Clyde and Rani see their chance, breaking away from Darkening -

RANI
Run!

She and Clyde run for the door.

DARKENING
You cannot escape me! None shall escape me!

CUT TO:

SARAH JANE

Who's here? Whoever you are, whatever you are, I'm neither frightened of you, nor here to hurt you. If you want to communicate, I'm listening.

Beneath one of the dust sheets - a television (1980s). Which suddenly turns itself on. The sound of static. Sarah Jane jumps, then pulls away the dust sheet.

The room is lit by the eerie glow of an un-tuned TV channel. Sarah Jane regards it, nervous...

SARAH JANE (CONT'D)

Who's there?

Just as suddenly the TV snaps off. The room is plunged into darkness. And then a table lamp across the room snaps on.

And an old phonogram starts to wind itself up.

Sarah Jane's eyes - after everything she has seen, she can't believe that she's seeing this...

And the phonogram starts to play the old record lying on the turntable. It's crackling, like it was recorded in the 1920s, but it's PROFESSOR RIVERS...

PROFESSOR RIVERS (O.S.)

Sarah Jane! Help me! Sarah Jane! Help me! Sarah Jane! Help me!

SARAH JANE

Professor Rivers? Celeste, is that you?

PROFESSOR RIVERS (O.S.)

Sarah Jane! Help me! Sarah Jane! Help me!...

SARAH JANE

I will. I will help you, I promise.

And then the phonogram winds down, Professor Rivers' voice slowing, distorting...

PROFESSOR RIVERS (O.S.)

Sarah Jane... Help... me...

The table lamp snaps off. Another one across the room snaps on. Professor Rivers is lit eerily from below by it - hallowe'en-like...

PROFESSOR RIVERS (CONT'D)

He's coming for you!

(CONTINUED)

And the table lamp snaps off. Sarah Jane is plunged into darkness - and, spooked, she lunges for a lamp.

The lights come on - Professor Rivers is gone. And in the same instant there's the sound of grinding stone - Sarah Jane whirls around.

RANI and CLYDE appear in the fireplace (another secret exit).

RANI

Sarah Jane!

SARAH JANE

Oh, I am so pleased to see you. But what on Earth are you doing in the fireplace?

CLYDE

We found Erasmus Darkening! He seemed pretty lively for a ghost.

SARAH JANE

Well, of course. He's not a ghost. I've seen him, too, but whatever is going on in this house, it's far more dangerous than a haunting.

CLYDE

We found Darkening's lab. And, from the look of what we saw, he was more than a magician making gold out of lead.

RANI

There's technology down there. It's ancient. Made of brass and iron and stuff. But there's no way it had any business being here 340 years ago!

SARAH JANE

Show me.

Clyde's heading for the door.

CLYDE

There's a secret door in the control hub.

And they are through the door...

INT. ASHEN HILL MANOR. ENTRANCE HALL -- CONTINUOUS

4A

They rush into the entrance hall - and there, standing on his family crest is LORD MARCHWOOD, darkly heroic.

SARAH JANE

Lord Marchwood!

LORD MARCHWOOD

You must leave this place.

CLYDE

Hey, your lordship! Thanks for earlier.

RANI

(to Sarah Jane)

He helped us escape from Darkening.

SARAH JANE

Yes, he saved me, too.

(urgently)

Whatever you do, don't go into the grounds. There's something out there.

Marchwood comes forward.

LORD MARCHWOOD

There is time if you leave now. The creature needs time to reassemble. I will escort you to your carriages. You will be safe with me.

SARAH JANE

No. We can't leave. Not without our friend.

LORD MARCHWOOD

Your friend is lost to Darkening. As is everyone that comes here. As am I. As are my children.

During the above, Marchwood momentarily flickers and fades, as before...

RANI

Your children helped us out of the tunnel.

LORD MARCHWOOD

(stunned)

You've seen Elizabeth and Joseph?

(CONTINUED)

4A CONTINUED:

4A

SARAH JANE

So have I.

There are suddenly tears in Marchwood's eyes.

LORD MARCHWOOD

They're here? In the house?

Clyde, Rani and Sarah Jane exchange a look, unsure of what to say...

SARAH JANE

They're looking for you.

LORD MARCHWOOD

But I have searched for over three hundred years.

RANI

Darkening says you exist at different frequencies

SARAH JANE

(starting to piece things together)

And that's how he has separated you from

4A CONTINUED: (2)

4A

As TOBY dashes towards them from the direction of the grand staircase...

TOBY

Miss Smith! You should see this.

Sarah Jane and the others look back - Marchwood has vanished.

CUT TO:

5 **INT. ASHEN HILL MANOR. GRAND STAIRCASE -- NIGHT**

5

TOBY leads SARAH JANE, RANI and CLYDE to the staircase.

TOBY

I was coming to look for you - and suddenly they were just there.

CLYDE

Whoah!

REVEAL - GHOSTLY PEOPLE standing on the stairs (as many as we can get). People from across history, dating from after 1655. Including the SCRIVEN FAMILY and 4 TEENAGERS (from the pavilion). And ELIZABETH and JOSEPH. They're just standing there, watching Sarah Jane, and during the scene, occasionally flicker and fade...

RANI

There are so many of them.

SARAH JANE

You poor, poor souls...

Toby has grabbed a video camera, is filming them. Excited.

TOBY

Still say there's no such thing as ghosts, Miss Smith?

ELIZABETH

You said you wanted to help us.

SARAH JANE

I do. You're all trapped here?

MR SCRIVEN

He trapped us.

CLYDE

Erasmus Darkening?

(CONTINUED)

MR SCRIVEN

He's as much a part of this house as the bricks and mortar. He took my whole family.

RANI

What about Professor Rivers? Where is she?

MR SCRIVEN

She hasn't been fully absorbed yet.

RANI

Absorbed?

MR SCRIVEN

By the house.

SARAH JANE

Then that means there is still time to get her back.

ELIZABETH

Please. Help us all. Joseph and I - we miss our father. We want him back.

CLYDE

It's okay. Your dad's okay. We've seen him.

MR SCRIVEN

I don't know if you can help any of us. But, if you can, you must put a stop to what's happening in this house. Burn it to the ground, if you have to. Release us from this purgatory.

Suddenly, at the top of the stairs - furious DARKENING!

DARKENING

What treachery is this? I grant you life eternal and this is how you honour my beneficence? Be gone! I banish thee back to the ether!

Darkening throws up his arms.

PRAC gale sweeps down the stairs.

Sarah Jane, Clyde, Rani and Toby lurch backwards against the blast. It lasts only a couple of seconds.

And then the ghostly people have gone.

Darkening stands on the stairs where they were.

Sarah Jane is defiant.

(CONTINUED)

SARAH JANE

What are you, Erasmus Darkening?

DARKENING

I am lord of this place, of all who cross its threshold, and step into my dominion. I am Erasmus Darkening, the lord of magic!

SARAH JANE

You really shouldn't believe your own press, you know. Maybe people believed in magic when you were conning Lord Marchwood that you could make gold from lead, but not any more.

And suddenly Darkening is behind her, within touching distance. Sarah Jane spins around, as -

DARKENING

The passage of three hundred and forty years has bequeathed Human-kind a little more wisdom, I find.

Clyde edges a little closer.

CLYDE

Are you saying you're not human?

RANI

You're an alien?

TOBY

An alien? What are you talking about? These are ghosts, not aliens.

Toby takes a step towards Darkening, almost devotional...

TOBY (CONT'D)

This is an emissary of the Afterlife.

Darkening smiles at them, chilling.

DARKENING

Call me what you will. Know only that this is my world, that I rule all that crosses its threshold, that there is no escape. And that this night I will come for you all.

And Darkening has gone.

(CONTINUED)

CLYDE

He knows how to leave you wanting more,
I'll give him that.

TOBY

So if he's responsible for the Professor
vanishing - why didn't he take us when
he had the chance?

Sarah Jane is grim.

SARAH JANE

Because he's playing with us. Trying to
scare us.

RANI

But we don't scare that easily.

Sarah Jane, defiant, yells at the house.

SARAH JANE

Listen to me, Darkening! I have fought
the worst things from the darkest
corners of the universe. You don't
stand a ghost of a chance!

Darkening's laughter echoes briefly through the house,
then is gone.

TOBY

I'm not sure that was entirely wise.

RANI

Aliens are like bullies at school. You
have to stand up to them.

TOBY

No. What we have here is not an alien.
What we have here is a Magi of the Dark
Arts who, even having passed on, remains
sufficiently powerful to tap into the
latent psychic energy of this house.

SARAH JANE

Toby, tonight is not the night you prove
yourself to your father. This is not
supernatural. There is a scientific
reason for what's happening here -

CLYDE

It just might not be science from Earth.

(CONTINUED)

SARAH JANE

All right. But stay together. And,
whatever you do, don't go outside.

Clyde hands her his torch.

CLYDE

You be careful

SARAH JANE

(wry)

Don't worry. I've got Toby to look
after me. Come on.

And Sarah Jane drags Toby into the darkness.

Rani and Clyde exchange a look.

RANI

So how do you distract a ghost?

CLYDE

You find him a pretty ghoulfriend?

Rani shakes her head, despairing, and leaves.

7 CONTINUED:

7

TOBY (CONT'D)

And don't tell me it was a dream like my father did. I pleaded with him to let me sleep in another room. I begged him and I cried. But he wouldn't let me. I've never forgiven him for that.

And they move on into the darkness.

CUT TO:

8 **INT. ASHEN HILL MANOR. STAIRS/GALLERY -- NIGHT**

8

RANI and CLYDE are climbing the stairs.

CLYDE

Hey! Darkening! Where are you hiding? We've come to bust you!

Rani glances about her, shudders, feeling chilly.

RANI

I'd feel a whole lot better if I was wearing a Ghostbusters proton pack right now.

CLYDE

Yeah. Know what you mean. And they even made boilersuits look cool... Talking of which, is it getting cold in here?

RANI

Thought that was just me.

CLYDE

Sarah Jane would say it's psychological.

RANI

I suppose she is right, isn't she? About ghosts? But if Darkening's an alien - I mean, he looks just like us.

CLYDE

I guess some aliens are like us. The Doctor looked human.

And BANG!! Like thunder - like a wrecking ball hits the side of the house!

RANI

What was that?!

BANG!! LOUDER!

CLYDE

I don't know. Noisy neighbours?

(CONTINUED)

8 CONTINUED:

8

BANG!! Louder still!

RANI
It's getting closer!

Clyde grabs her hand -

CLYDE
Come on!

And they race back down the stairs.

CUT TO:

9 **INT. ASHEN HILL MANOR. CORRIDOR -- CONTINUOUS**

9

RANI and CLYDE run down a corridor.

BANG! - And this time a picture falls from the wall,
crashes to the floor.

BANG!!

More things leap from the walls, crash to the floor
behind them.

RANI
I think it's following us!

Ahead of them - the open door to the billiard room.

BANG!!

Clyde heads for the door, Rani behind him.

They throw themselves through the door.

CUT TO:

10 **INT. ASHEN HILL MANOR. BILLIARD ROOM -- CONTINUOUS**

10

CLYDE slams the billiard room door shut behind them, rams
a chair under the handle - he and RANI back off and
wait...

The silence is unbearable...

BANG!!

The door shudders on its hinges.

Rani and Clyde wait, breathless.

A billiard ball rolls gently across the baize and
scatters a couple more balls ... Clyde and Rani turn to
look, see them moving.

(CONTINUED)

10 CONTINUED:

10

CLYDE

Something tells me we're not on our own
in here.

And then the cues begin to rattle in their rack - quickly

11 CONTINUED:

11

RANI

I am never playing pool again!

But Clyde has other things on his mind...

CLYDE

What was it Sarah Jane said we

And among the shadows THE CREATURE's POV - watching them, growling, inhuman.

CUT TO:

12 **INT. ASHEN HILL MANOR. SECRET CHAMBER -- NIGHT** 12

SARAH JANE pushes open the door to the dark, empty chamber. TOBY follows her in. Sarah Jane takes the room in by the light of Clyde's torch.

SARAH JANE

Nobody's home. That's a good start.

TOBY

It's freezing.

SARAH JANE

We're underground.

And Sarah Jane opens the cupboard - finds the strange ancient technology. She beams.

TOBY

What is that?

SARAH JANE

Exactly what I expected. Alien technology.

Toby is fascinated, blows dust off the old technology. Wipes away spiderwebs.

TOBY

It's like a computer built from brass and iron.

SARAH JANE

I don't think it's a computer, Toby. I've seen something like it before. I think it's some sort of trans-dimensional accelerator.

TOBY

Can we try that once more?

SARAH JANE

This entire house has been turned into a portal to another galaxy.

CUT TO:

13 **EXT. ASHEN HILL MANOR. TERRACE -- NIGHT**

13

CLYDE tries the doors to the music room. RANI looks about her, anxious.

CLYDE

Locked! We're locked out!

RANI

With whatever attacked Sarah Jane. This is not good, Clyde.

And they hear the growl of the CREATURE.

CLYDE

No. That is not good. Quickly, come on! The pavilion!

And they run into the darkness.

CUT TO:

14 **INT. ASHEN HILL MANOR. SECRET CHAMBER -- NIGHT**

14

SARAH JANE and TOBY - as they were.

SARAH JANE

14 CONTINUED:

14

TOBY

And Professor Rivers has - what - gone through it?

SARAH JANE

I think something went wrong three hundred years ago - it's been malfunctioning ever since - and Darkening is somehow manipulating the accelerator's power, channeling it.

TOBY

You're saying all these ghosts - they're living people.

SARAH JANE

Trapped between dimensions.

TOBY

What happens if we turn it off?

SARAH JANE

The disappearances will stop. But those people will be lost forever. Including Celeste Rivers.

CUT TO:

15

EXT. ASHEN HILL MANOR. PAVILION-- NIGHT

15

16 CONTINUED:

16

RANI

There was something in the bushes. I'm sure of it.

But Clyde is taking in the pavilion, anxious.

CLYDE

The trouble with tonight is it doesn't matter what you shut out -you never know what you're locking yourself in with.

Rani glances around the dark interior...

RANI

Great. Thanks for that thought.

CLYDE

Sorry. I just hope we gave Sarah Jane a chance to fix whatever's going on here.

CUT TO:

17

INT. ASHEN HILL MANOR. SECRET CHAMBER -- NIGHT

17

SARAH JANE and TOBY are examining the accelerator.

TOBY

Is there some way of reversing it?

SARAH JANE

Possibly. I've seen trans-dimensional accelerators before - I travelled in something that used the same principle for years...

TOBY

You did what?

SARAH JANE

Oh, there are so many things out there more exciting than ghost hunting, Toby.

TOBY

Who exactly are you?

SARAH JANE

Nobody special. But there are amazing things in this world - this universe - things that your father would never believe. But if you look in the right places, you'll find them.

Toby regards the accelerator.

(CONTINUED)

TOBY

Well, this is pretty amazing. I think I'm beginning to see what you mean.

Sarah Jane smiles. Senses Toby starting to see her point of view.

SARAH JANE

Whatever he is now, Erasmus Darkening must once have been a very clever scientist.

DARKENING appears.

DARKENING

My mind is a colossus, Miss Smith. Time is meaningless to me. I have contemplated the physics of the universe, of time, and of life itself.

Darkening walks towards the accelerator, regards it fondly. Sarah Jane and Toby back away.

DARKENING (CONT'D)

Every being that has become part of my dominion sustains my existence.

SARAH JANE

You mean the accelerator is powered by the lives of the people it takes.

DARKENING

No-one dies here. I thought you understood that. The accelerator's malfunction transformed this house into a gateway to Eternity.

SARAH JANE

It's not a gateway, it's a trap. You're using the accelerator to steal life energy, to give you immortality.

DARKENING

And soon you too will be taken. No-one can escape the house. And it's a better fate than that faced by your young friends ...

SARAH JANE

Clyde and Rani? Where are they?

(CONTINUED)

17 CONTINUED: (2)

17

DARKENING

The accelerator was not entirely successful, but it did open a gateway - for something...

Sarah Jane is horrified.

SARAH JANE

The creature in the grounds! Oh no!
They're outside!

Sarah Jane pushes past Darkening, followed by Toby. He doesn't try to stop either of them. Just laughs.

CUT TO:

18 INT. ASHEN HILL MANOR.PAVILION -- NIGHT

18

CLYDE and RANI remain on edge. Clyde is looking out through a crack in the door.

CLYDE

If there was anything out there, I think it's gone.

RANI

Maybe we should make a break for it?
Sarah Jane might need us.

And then - there's something on the roof.

CLYDE

What's that?

RANI

There's something up there.

RANI

(whispers)

You think that's what Sarah Jane was talking about?

The thing continues to tap on the door, monotonously

CLYDE

Well, at least it's polite.

The thing's claw scratches down the door..

Rani and Clyde are instinctively backing away.

RANI

What is it?

CLYDE

I don't know. But I'm pretty sure it's not from round here.

RANI

Clyde, it's going to get in. Any minute. We need a plan.

CLYDE

No. Not a plan. What we need are a couple of oars.

He reaches past her and takes two old wooden oars from the wrecked boat. Passes one to her. Takes hold of the other, determined.

And Rani's determined, too.

RANI

Right. Whatever's out there, it's not exactly bright is it? I mean, look at it. It could come through those windows, no problem.

CLYDE

You're right. We can take it.

RANI

Whatever "it" is.

CLYDE

Wherever "it's" from.

(then...)

It's him oar us.

Rani gives him a look -

(CONTINUED)

And they brace themselves.

RANI

You ready?

Clyde hefts his oar.

CLYDE

Bring it on.

And Rani reaches for the door handle.

PRAC: Suddenly, outside - a single burst of blindingly bright light. Rani and Clyde, shrink back, covering their eyes.

RANI

What's going on?

CUT TO:

19 **EXT. ASHEN HILL MANOR. PAVILION -- MOMENTS LATER**

19

The pavilion door opens. CLYDE and RANI step out, their oars raised ready...

And find LORD MARCHWOOD sliding his sword back into its sheath.

LORD MARCHWOOD

Time runs short.

CUT TO:

19A **INT. ASHEN HILL MANOR. PANELLED ROOM -- NIGHT**

19A CONTINUED:

19A

As he pulls the hand-held EMF meter out, scans Lord Marchwood...

LORD MARCHWOOD

Nothing dies in Darkening's dominion.
And nothing lives. I have done what I
could to save people from this cursed
house, and Darkening's power.

RANI

You've tried to save people? You mean
you've tried to scare people away?

TOBY

The poltergeist activity. It was you?
And - wow - look at these EMF readings.
Your lordship, you are smoking! If
this was a seismometer and you were a
volcano, we'd be running away with our
hair on fire.

Sarah Jane is thinking...

SARAH JANE

Let me look at that. That's
extraordinary.

LORD MARCHWOOD

What is this sorcerer's box?

TOBY

20

INT. ASHEN HILL MANOR. ENTRANCE HALL -- NIGHT

20

Four EMF meters are set up on tripods facing each other on the gallery-side of the family crest, much electrical cabling snaking off from them.

LORD MARCHWOOD throws open the front door, steps onto the family crest and bellows...

LORD MARCHWOOD

Darkening! Hear me, magician! The curse you have cast on this house ends tonight. For over three hundred years I have sought my children and watched you take soul after soul. But no more!

DARKENING (O.S.)

And you would stop me?

Marchwood whirls around - Darkening has appeared behind him.

DARKENING (CONT'D)

Was it not you, Marchwood, that brought all this upon your house?

LORD MARCHWOOD

It was your hand that took innocent people from the village, Darkening, and

LORD MARCHWOOD

I wanted only to return home. But you
stopped my experiments.

CUT TO:

25 INT. ASHEN HILL MANOR. PANELLED ROOM -- NIGHT 25

A TV monitor carries the picture from the entrance hall.
SARAH JANE, RANI, CLYDE and TOBY gathered around the
monitor, holding their breath.

SARAH JANE
Lord Marchwood has to get Darkening to
step into the electro-magnetic field.

LORD MARCHWOOD
Experiments? You took innocent people

I know, Professor. I'm sorry.

PROFESSOR RIVERS

We have just witnessed the most amazing phenomena in this house and do we have any record of it?

TOBY

Err... No. But, on the other hand, Professor, it wasn't paranormal - it was alien.

PROFESSOR RIVERS

I give up. I give up.

Sarah Jane, Clyde and Rani laugh.

PROFESSOR RIVERS
Well, I'm not sure that exercise proved or disproved anything as regards the paranormal. But it was certainly interesting.

Sarah Jane shakes her hand.

SARAH JANE
I'll look forward to the next time.

As Professor Rivers gets in the van. And Toby's there.

TOBY
I just wanted to thank you, Miss Smith.

SARAH JANE
I don't understand. For what?

TOBY
Let's say you've broadened my horizons. Maybe I shouldn't be looking for ghosts - I should be looking at the stars, instead.

SARAH JANE
It's a wonderful universe, Toby. And no matter how much you think you know, it will always have one more surprise for us. Don't ever forget that.

TOBY
I won't.

Toby gets into the van. Rani, Clyde and Sarah Jane watch them go.

RANI
So that's it, then. No more haunted house.

CLYDE
Weren't you paying attention? There never was a haunted house.
